### Description

Zinc-Free Clear is a glossy glaze recommended for use with underglazes to reduce the incidence of color shift. Most underglazes, stains, and coloring oxides will show their best color with Zinc-Free Clear.

---

The High Fire Cone 5 glaze series combines your favorites from the legacy Sahara and Celebration glaze lines. High Fire glazes produce interesting effects in both oxidation and reduction and should be brush-applied to bisque ware fired to Cone 04 for the best results.

- Reliable glazes for Stoneware and Porcelain
- Dinnerware safe
- Cone 5 - 6
