Description

Toasted Sage is an opaque, warm gray glaze that has subtle, frothy tones of pink and green. This glaze layers very well with other Potter's Choice glazes- particularly as a top coat.

The Potter's Choice glaze series was designed with the potter in mind! These stunning glazes add fluid colors and effects to smooth or textured ware, with optimal results at Cone 5/6. To use these glazes is to step into different ceramic glaze traditions of many cultures throughout history.

- Reduction Effects in Oxidation
- Variety of Colors and Surfaces
- Cone 5 / 6
- Limitless Layering Combinations!
