Description

Cosmic Tea Dust is a sparkly, dark brown glaze, which breaks a light yellow-brown over texture. The sparkle shifts subtly from silver to copper to give the glaze an iridescent quality.

The Potter's Choice glaze series was designed with the potter in mind! These stunning glazes add fluid colors and effects to smooth or textured ware, with optimal results at Cone 5/6. To use these glazes is to step into different ceramic glaze traditions of many cultures throughout history.
