Description

This Bisqueware coffee mug is a high-quality piece of ceramic pottery crafted by hand on a pottery wheel. The expert craftsmanship of its creation creates a piece of art that you can decorate and get fired, making each cup of your morning coffee something special. Perfect for a DIY gift for someone or yourself.

Our bisqueware pieces are wheel-thrown in-house, using Australian fine white stoneware clay (Walker No. 10 or similar). It is recommended that they are glaze fired to Orton Cone 10.

In addition to offering this exquisite Bisqueware coffee mug, we also provide a [professional firing service](#) to bring your artistic vision to life. Once you have completed your decoration and glazing, simply entrust us with your masterpiece, and our skilled technicians will meticulously fire it in our state-of-the-art kilns. Our firing process ensures that your coffee mug achieves optimal durability, functionality, and aesthetic appeal. With our firing service, you can rest assured that your personalized creation will withstand the test of time, making each sip from your coffee mug an experience to be cherished. Elevate your morning ritual with our Bisqueware coffee mug and our reliable firing service.

Dimensions: (L x W x H)

85 x 120 x 110mm

*Please note that sizes may vary as they are hand made.

Please note that there is no guarantee on breakages of bisqueware if freighted.
