Description

Create your own vibrant and unique surface designs on our wide range of quality, artisan bisqueware pottery

Artisan made

Each of these bisqueware dinner plates is made by hand by our in-house production potter with decades of experience and exceptional skill. Because each piece is handmade the dimensions may vary slightly.

Stoneware

Our bisqueware pieces are wheel-thrown in house, using Australian fine white stoneware clay (Walker No. 10 or similar). It is recommended that they are glaze fired to Orton Cone 10.

Create your own unique surface designs

Choose from our huge variety of options for you to add your own creative designs on the surface of your bisqueware pieces – beautiful transfer tissues, colourful underglazes and bright stoneware glazes. These are a wonderful and fun idea for commemorating special occasions!

Bisqueware dinner plate dimensions: 290 x 290 x 25mm

** Please note that there is no guarantee on breakages of bisqueware if freighted.
