Description

Introducing the Venco Pottery Wheel Seat: the perfect companion for your pottery journey. Designed for the Venco Number 3 and Venco Direct Drive Pottery Wheel, this seat offers exceptional comfort and support, allowing you to indulge in long hours of throwing with ease.

Crafted with your comfort in mind, the Venco Pottery Wheel Seat features an extra-padded cushion that ensures a comfortable seating experience, even during extended pottery sessions. No more discomfort or fatigue holding you back from creating your masterpieces.

Equipped with clips that securely fasten to both the newer and older styles of the Venco Direct Drive and Cone Number 3 Pottery Wheels, this seat eliminates any unwanted movement while throwing. Say goodbye to your stool slipping around and enjoy a stable and controlled pottery experience.
